

# Changes to traffic conditions in Bulleen

In April, there will be changes to traffic conditions at the Manningham Road and Bulleen Road intersection as we prepare to move Manningham Road further north to allow for the continued construction of the future Manningham Road interchange.

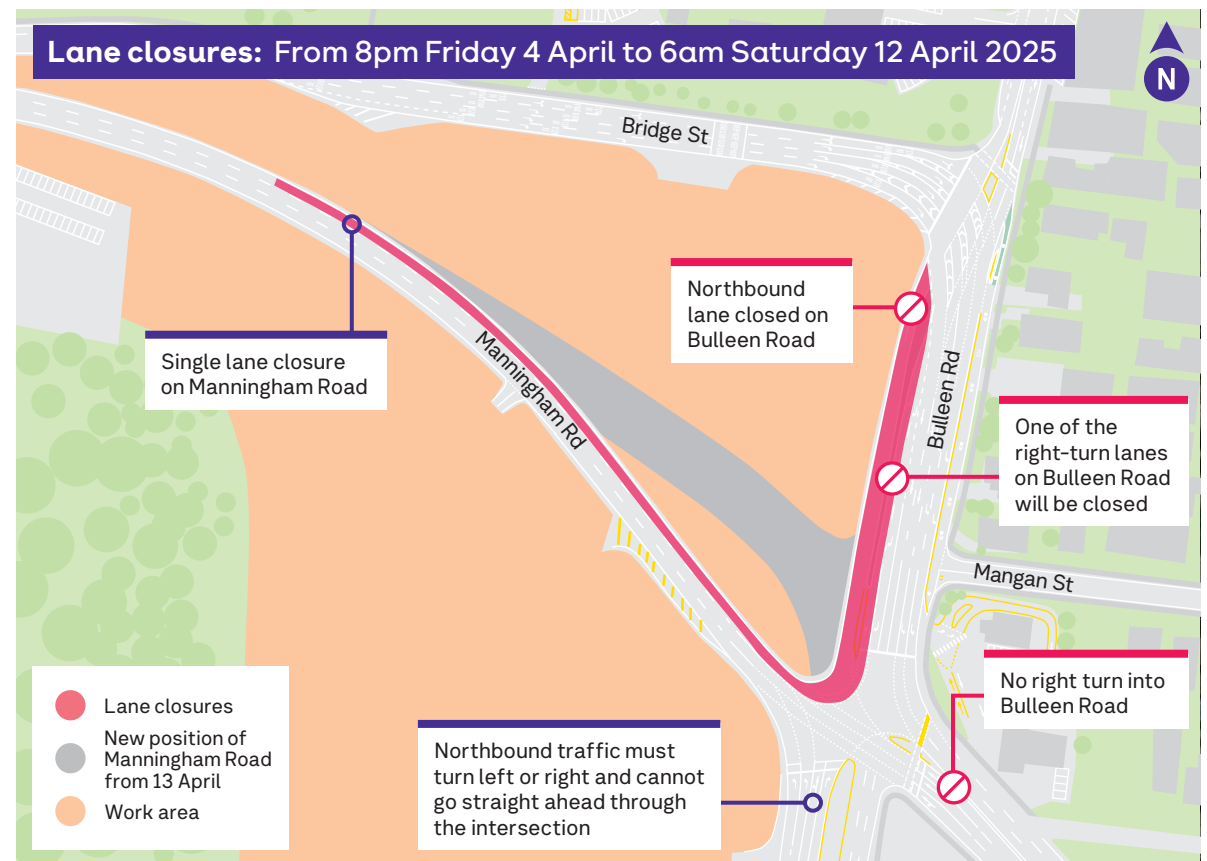

## What you need to know:

- From **8pm Friday 4 April** to **6am Saturday 12 April 2025**, the northbound lane on Bulleen Road between Manningham Road and Bridge Street will be closed. There will also be a single lane closure on Manningham Road heading towards Heidelberg.
- From **8pm Saturday 12 April** to **7am Sunday 13 April 2025**, we'll also close the intersection of Bulleen and Manningham Road to install new traffic signals.

Traffic management and detours will be in place to safely guide traffic through the area. Access to properties and businesses will be maintained.

We're working hard to minimise disruptions to the local community and drivers can expect delays of up to 10 minutes during these works.

Dates are subject to change. We encourage you to stay up to date with traffic conditions via the VicRoads website or [northeastlink.vic.gov.au](https://northeastlink.vic.gov.au).
