

Upcoming freeway disruptions

Over the coming months, there will be significant disruptions to the Eastern Freeway as we install new walking and cycling bridges over the freeway between Bulleen and Tram roads.

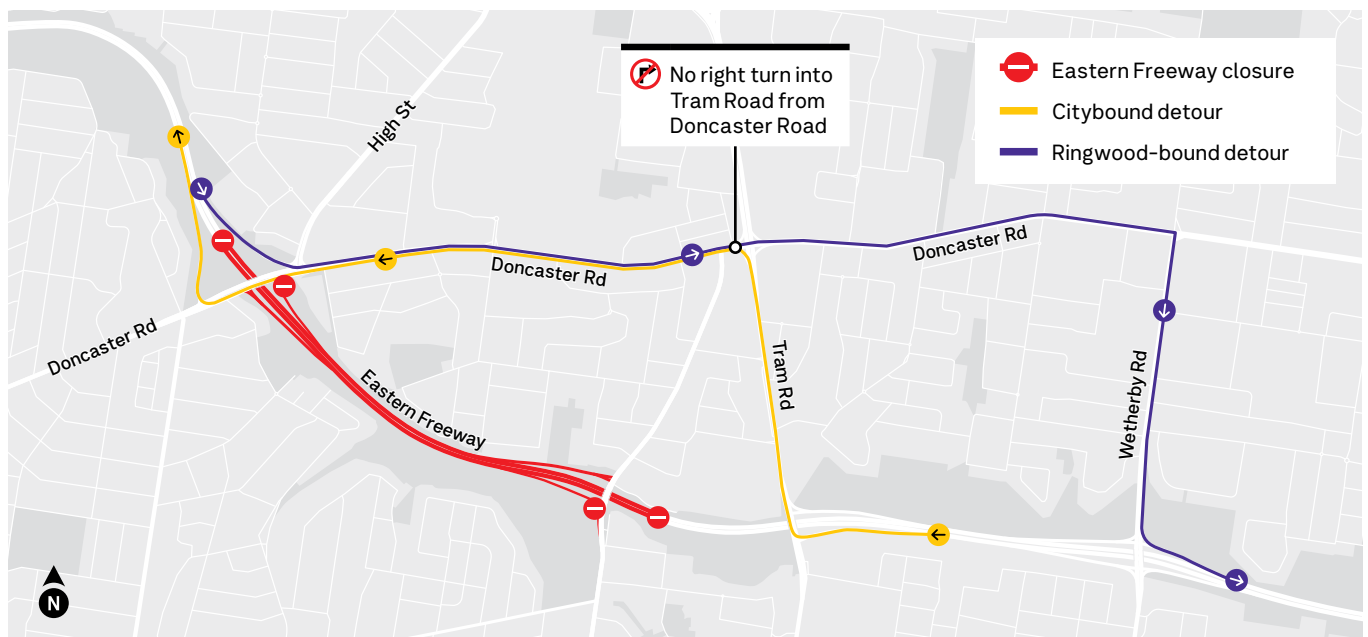

10pm Friday 5 September to 5am Monday 8 September

Weekend full freeway closure in both directions between Doncaster Road and Tram Road.

The new wider and safer bridges are being installed at Estelle Street, Bulleen and Heyington Avenue, Doncaster and will be open to the public in late 2025. While the freeway is closed, we will also complete works on the Doncaster Road interchange, including building foundations, drainage and installing smart on-road technology.

You can expect further overnight and weekend disruptions as we continue works on the Eastern Freeway.

Plan your journey. Delays are expected. Please follow on road signage and detours.

Stay up to date with the latest disruptions information

The best way to stay up to date with works and upcoming freeway disruptions is by SMS or email.
